

## AOSpine criteria for Guest Speakers, Faculty, Chairpersons, Educational Advisors, and Regional Education Teams

### General criteria:

- An open call for faculty, EA's and RETT's should be announced at the beginning of each year according to the country and regional needs for each role. Each country/region should set a date for review of all applications.
- Applicants should fulfill predefined criteria (approved and unified across all regions).
- A certain percent of the faculty of each course should be new (e.g.: 20%).
- Exceptions kept to minimum and should be approved only by the regional board.

→Minimal set of criteria is mandatory for all regions; additional criteria can be defined by the regions
